C	Custom**

** Custom Printed Marker Cards:

1. Download the ClearTools software from the Allen-Bradley terminal block home page.
2. Create your custom marker card using the printer software and save the file to your computer.
3. Place an order for the custom markers on SAP by adding the letter "C" to the end of the marker cat. no. (Example: If the custom marker that was created in Step 2 is Cat. No. 1492-M6X12, an order will be placed in SAP with the new Cat. No. 1492-M6X12C).
4. E-mail the custom marker file to RAMilwCustomMarkers@ra.rockwell.com.

Include the following items:

- Allen-Bradley order number (in the subject of the e-mail)
- Quantity (the number of needed copies of the file)
- Company information (with a contact name and phone number)
- ClearTools data file (attached to the e-mail)

Pre-printed and Custom-printed markers are packaged in quantities of 5

* You may not select a printing sequence quantity that exceeds the number of markers per card (e.g., you cannot choose option 1-100 on marker MH5X15 because that card only has 96 markers).
