22.5 mm Monolithic Push Buttons
Product Overview/Selection

Bulletin 800FD Monolithic Push Buttons

With a single catalog number, you can now order a fully assembled product for easy stocking and installation. Designed to meet worldwide standards, the Bul. 800FD monolithic line includes E-stops and pilot lights with either LED or incandescent options.

- Ease of installation
- Low back-of-panel profile (45.7 mm)
- Aesthetic design complements the Bul. 800F modular line
- Anti-rotation tab provides accurate alignment and can be easily removed for use in panels without notches
- Lowest cost of installation
- Made of industrial-grade thermoplastic for superior chemical resistance
- Designed to meet worldwide standards
- Compatible with Bul. 800F accessories and enclosures
- Ring lug capability
